

# Unlimited Cleanings Program

SMILE BRIGHT WITH UNLIMITED CLEANINGS

The Unlimited Cleanings program (UCP) removes the frequency limitations for regular and periodontal teeth cleanings. There are certain risk factors that a dentist may advise additional cleanings for: gum disease, pregnancy, tobacco usage, cancer treatment, diabetes, heart disease, HIV, etc. The unlimited cleanings program removes the cost barrier to receive these extra cleanings each year.

## UNLIMITED CLEANINGS PROGRAM (UCP) DETAILS

Here are some important things to know:

**What's covered?** It's all in the name. UCP allows coverage for both regular cleanings and periodontal maintenance cleanings at an unlimited frequency. See what exact dental services/codes are covered and their definitions to the right.

**How do I use this benefit?** Beyond your regularly scheduled cleaning appointments, you are also eligible to schedule additional cleanings as needed.

Please refer to your benefits booklet for information on your specific plan.
