

TORTOISE INVESTMENTS 401(K) PLAN
Automatic Enrollment Notice

October 7, 2020

Contact Us:
Phone: 800-724-7526
Website: workplace.schwab.com

Dear Participant,

We all know it's important to save -- especially for a goal like retirement that may be many years away. Tortoise Investments, LLC wants everyone to look forward to an active and healthy future. Retirement saving requires the commitment of both employer and employee. Please review the enclosed information regarding your plan features to help you achieve your retirement goals.

The enclosed Automatic Enrollment Notice should help you understand your Plan's automatic features, investment options and how they may affect your account.

If you have any questions about your retirement account, investment choices or want to know more about saving and how Schwab Retirement Plan Services "SRPS" can help, please call us at **800-724-7526 (en español 877-905-2553)**. We're here Monday - Friday from 7 a.m. to 11 p.m. Eastern Time. You can access your account, obtain information on plan related investment alternatives, check performance or use the planning tools at any time on **workplace.schwab.com**.

Sincerely,

Catherine Golladay
President, Schwab Retirement Plan Services, Inc.

Access to electronic services may be limited or unavailable during periods of peak demand, market volatility, systems upgrade, maintenance, or for other reasons.

TORTOISE INVESTMENTS 401(K) PLAN
Automatic Contribution Arrangement and Qualified Default Investment Alternative Notice

Tortoise Investments, LLC is making saving for retirement under the TORTOISE INVESTMENTS 401(K) PLAN (the Plan) even easier by offering an automatic enrollment feature.

The automatic feature won't change your contribution level if you've already elected the level of your contributions to the Plan which is at least the Plan's minimum suggested rate or affirmatively elected not to contribute by December 31 each year. Your earlier election will continue to be followed.

If you do not affirmatively elect a contribution rate or elect not to participate ("opt out") within 45 days after you become eligible as described in your Summary Plan Description (SPD) you will be automatically enrolled in the Plan as shown below:

<u>Contribution Source</u>	<u>Deferral Rate</u>
Pre Tax Deferrals	6%

Your employer has also implemented an annual enrollment window lasting from December 1 to December 31 each year. If you are not contributing to the Plan at the Plan's minimum rate you will be automatically enrolled unless you actively elect not to participate ("opt out") prior to December 31 each year. This means that amounts will be taken from your eligible pay on a pre-tax basis each pay period and contributed to the Plan, unless you choose otherwise.

This notice gives you important information about some provisions with respect to the Plan, including the Plan's automatic investment and enrollment feature. The notice covers these points:

- Whether the Plan's automatic enrollment feature applies to you;
- What amounts will be automatically taken from your pay and contributed to the Plan;
- How your Plan account will be invested;
- When your Plan account will be vested (that is, not forfeited when you leave your job), and when you can get your Plan account; and
- How you can change your contributions.

You can find out more about the Plan in another document, the Plan's Summary Plan Description (SPD). If you would like a copy of the Plan's SPD or other Plan documents, please contact Schwab at **800-724-7526 (en español 877-905-2553)**.

1. Does the Plan's automatic enrollment feature apply to me?

The Plan's auto features may apply to you unless you have already elected to make contributions to the Plan at a rate of at least 9% or you have elected to not contribute ("opt out") by December 31 each year. If you made such an election, your contribution level will not automatically change. Remember, you can always change your contribution level.

You may change your election within 45 days after you become eligible as described in your SPD or by December 31 each year. This means money will be automatically taken from your pay and contributed to your Plan account.

2. If I do nothing, how much will be taken from my pay and contributed to my Plan account?

If you choose not to make an election when you first become eligible (either to contribute or opt out), each pay period an amount will be taken from your eligible pay and contributed to your Plan account as shown below:

<u>Contribution Source</u>	<u>Deferral Rate</u>
Pre Tax Deferrals	6%

If you are contributing less than the Plan's minimum suggested rate and choose to not make an election by December 31 each year (either to contribute the minimum or opt out), your contribution level may increase, until it reaches the suggested rate of your eligible pay as shown below:

<u>Contribution Source</u>	<u>Annual Increase</u>	<u>Suggested Rate</u>
Pre Tax Deferrals	1%	9%

If you're currently deferring in a source that is different than Pre Tax Deferrals your contribution level may increase 1% annually based on that source you are currently contributing in (unless you choose a different contribution level) until it reaches the suggested rate of 9% of your eligible pay.

If your combined contribution sources are equal to or greater than the suggested rate, your contribution level may not be increased.

Your 401(k) contributions to the Plan are taken out of your pay and are not subject to federal income tax at that time. Instead, they are contributed to your Plan account and may grow over time with earnings. This helpful tax rule is a reason to save for retirement through 401(k) contributions. Your account will be subject to federal income tax when withdrawn.

TORTOISE INVESTMENTS 401(K) PLAN

Automatic Contribution Arrangement and Qualified Default Investment Alternative Notice

If you want to contribute more to your account than would be provided automatically, there are limits on the maximum amount. You may elect to defer up to the Plan's maximum rate of your eligible compensation into the Plan for each employee contribution source. In general, the current maximum rate is:

Source Name	Maximum Rate
Pre Tax Deferrals	100%
Roth Deferrals	100%
Additional After Tax Deferrals	10%

Employee 401(k) contributions are subject to an IRS-imposed limit. If you are age 50 or older during the calendar year, you may also make catch-up contributions to the Plan up to the IRS imposed limit. These limits are described in the section of the Plan's Summary Plan Description (SPD) related to contributions.

Again, you are already enrolled in the Plan and contributions may be taken out of your pay unless you have made an election to not participate. But you are in charge of the amount that you contribute. You may decide to contribute an amount that better meets your needs.

3. How will my Plan account be invested?

The Plan lets you allocate your account in a number of different options. Unless you choose differently, your Plan account may be automatically allocated as outlined below:

An option will be selected for you based upon your birth date in the chart below, as determined by the Plan. Each option is designed to provide different degrees of long-term appreciation and income through a mix of stock, bond and capital preservation alternatives based on the target retirement date. The models range from more aggressive, for a participant with a longer investment horizon, to more conservative, for those near and in retirement. The more aggressive models will likely have a greater chance of having a short term loss versus the more conservative models. There is no guarantee a fund will accomplish its objective and the investments can lose money. The underlying options have expenses for investment management and administration of the options. This is shown below as Operating Expense. For more detailed information about the investment objectives, risks, expenses, fees or other restrictions, please see the fact sheet available on workplace.schwab.com or refer to the information previously sent to you in your Plan Enrollment guide.

Date of Birth	Default Position	Election Percent	Operating Expense
1994 & after	JPMorgan SmartRetirement Blend 2060 R6	100%	0.29%
1989 - 1993	JPMorgan SmartRetirement Blend 2055 R6	100%	0.29%
1984 - 1988	JPMorgan SmartRetirement Blend 2050 R6	100%	0.29%
1979 - 1983	JPMorgan SmartRetirement Blend 2045 R6	100%	0.29%
1974 - 1978	JPMorgan SmartRetirement Blend 2040 R6	100%	0.29%
1969 - 1973	JPMorgan SmartRetirement Blend 2035 R6	100%	0.29%
1964 - 1968	JPMorgan SmartRetirement Blend 2030 R6	100%	0.29%
1959 - 1963	JPMorgan SmartRetirement Blend 2025 R6	100%	0.29%
1954 - 1958	JPMorgan SmartRetirement Blend 2020 R6	100%	0.29%
1953 and Prior	JPMorgan SmartRetirement Blend IncomeR6	100%	0.29%
Undetermined*	JPMorgan SmartRetirement Blend IncomeR6	100%	0.29%

* Undetermined is used if SRPS does not know your date of birth when contributions are made.

The Plan may change from time to time which alternative is used for investing your contributions that are deposited before you make your own investment election (the "default fund"). Any previous contributions may remain invested in the Plan's default fund in place at the time contributions were made. Your current balances are illustrated on workplace.schwab.com along with more detailed information which is available for all positions currently held in the Plan, including investment alternatives which may have previously been the Plan's default fund.

If some or all of your account in the Plan is automatically invested, you still have the opportunity to choose the allocation in your account in any combination of the investment options offered by the Plan by requesting a transfer or rebalance (subject to prospectus requirements and trading restrictions placed by your plan sponsor).

To learn more about the Plan's investment alternatives and to change how your Plan account is invested you can visit workplace.schwab.com anytime or call **800-724-7526 (en español 877-905-2553)**. We're here Monday - Friday from 7 a.m. to 11 p.m. Eastern Time.

4. When will my Plan account be vested and available to me?

You will always be fully vested in your contributions to the Plan. Each source of employer contributions in the Plan may have its own vesting schedule. You will be fully vested in each employer contribution source after completing the years of service outlined below:

TORTOISE INVESTMENTS 401(K) PLAN
Automatic Contribution Arrangement and Qualified Default Investment Alternative Notice

<u>Source Name</u>	<u>Years of Service for Full Vesting</u>
QNEC	Always Fully Vested
QMAC	Always Fully Vested
Prior Vested Employer Balance	Always Fully Vested
Employer Match	After 3 Years
Prior ER Safe Harbor Vested	Always Fully Vested
Profit Sharing	After 3 Years

To be fully vested in Plan contributions means that the contributions (together with any investment gain or loss) will always belong to you, and you will not lose them when you leave your job. Your beneficiary is entitled to any vested amount remaining in your account when you die. For more information about years of service and vesting, you can review the section of the Plan's SPD related to vesting.

Even if you are vested in your Plan account, there are limits on when you may withdraw your funds. These limits may be important to you in deciding how much, if any, to contribute to the Plan. Generally you may only withdraw vested money after you leave your job, reach age 59 ½, or become disabled. Also, there is generally an extra 10% tax on distributions before age 59 ½.

You may be able to borrow certain amounts from your vested Plan account, and may be able to take out certain vested money if you have a hardship. Hardship distributions are permitted from those accounts as provided for under the Plan. Hardship distributions must be for a specified reason as provided by the Plan. Before you can take a hardship distribution, you must have taken other permitted withdrawals from qualifying employer plans.

A portion of your account may also be available for other withdrawals while you are still employed with the employer. You may withdraw your voluntary employee after-tax contributions and rollover contributions at any time. After age 59 ½, you may be able to withdraw certain 401(k), after-tax, rollover, matching contribution, employer profit sharing, QNEC-QMAC, and other contributions.

You can learn more about the Plan's withdrawal and loan rules in the Plan's SPD. You can also learn more about the extra 10% tax in IRS Publication 575, Pension and Annuity Income.

5. Can I change the amount of contributions?

You can always change the amount you contribute to the Plan.

6. Contact Us

You can contact us or make changes to your account on workplace.schwab.com anytime or by calling **800-724-7526 (en español 877-905-2553)**. We're here Monday - Friday from 7 a.m. to 11 p.m. Eastern Time.

You may contact us if you would like to change your contribution level or opt out, make changes to your elections, have any questions about how the Plan works or your rights and obligations under the Plan, or if you would like a copy of the Plan's SPD or other Plan documents.

Access to Electronic Services may be limited or unavailable during periods of peak demand, market volatility, systems upgrade, maintenance, or for other reasons.

The Schwab Managed Retirement Trust Funds™, Schwab Indexed Retirement Trust Funds® and Schwab Institutional Trust Funds® (each a "Trust", collectively the "Trusts" or "Collective Investment Trusts (CITs)") are collective investment trusts maintained by Charles Schwab Trust Bank (CSTB), as trustee. They are available for investment only by eligible retirement plans and entities. Charles Schwab Trust Bank's Collective Investment Trusts are not insured by FDIC or any other type of deposit insurance; are not deposits or other obligations of, and are not guaranteed by CSTB or any of its affiliates; and involve investment risks, including possible loss of principal invested. The Trusts are not mutual funds and are exempt from registration and regulation under the Investment Company Act of 1940 (the "1940 Act"), and their units are not registered under the Securities Act of 1933, or applicable securities laws of any state or other jurisdiction. Unit holders of the Trusts are not entitled to the protections of the 1940 Act. The decision to invest in the Trusts should be carefully considered. The Trusts' unit values will fluctuate and may be worth more or less when redeemed, so unit holders may lose money. The Trusts are not sold by prospectus and are not available for investment by the public. The Trusts' prices are not quoted in newspapers. Effective January 1, 2019, Charles Schwab Bank transferred its Collective Investment Trusts to CSTB, a subsidiary of The Charles Schwab Corporation. CSTB serves as successor trustee of the Trusts and succeeds to the rights and obligations of Charles Schwab Bank under the Trusts' Participation Agreement. This transfer resulted in no material change to the investment management, operations or structure of the Trusts.
