## Treatment Cost Estimator

KNOW BEFORE YOU GO

MyHealthToolkitKC.com

Before making an expensive purchase, you probably research the cost and quality of an item, then shop around to compare prices. Wouldn't it be great if you could do that with your health care? With the Treatment Cost Estimator, you can!

Costs can differ for the same treatment or service depending on where you go. Quality of care can also vary from one provider to the next. With the Treatment Cost Estimator, you have access to information ahead of time to make the choice that's right for you.

Log in to My Health Toolkit<sup>®</sup>, select Resources, then Treatment Cost Estimator. If you know the name of the procedure, use the smart search function at the top of the page. You can select from suggested names or view a full list associated with your search.

You can also select Get Started and narrow your options by selecting treatment categories.
